EXTRUDED ALUMINUM RAINSCREEN PANELS

"Sempre e per Sempre"

Translated as "Always and Forever", SEMPRE utilizes state of the art aluminum plate panels to formulate the most comprehensive and technically advanced system developed to meet the rigorous demands of the ventilated rainscreen market.

At the basis of SEMPRE is the profound knowledge of ventilated facade systems and their materials. Providing maximum reliability and performance under all conditions, every aspect of SEMPRE is aimed at supplying a facade system that will look and perform...

"Always and Forever"

THE BASIS OF DESIGN

UNIQUE CHARACTERISTICS

Unlimited Design Possibilities

- Be creative. Generate your own unique profiles and/or custom finish for your project. AMS can assist to ensure your vision becomes reality.

Fully Customizable

- Mix and match any profile. Reveal or minimal joint. The combinations are endless and effortless.

Long-lasting

- Ultra-thick extruded aluminum panel construction for superior longevity.

Environmentally Friendly

- Environmentally sustainable and 100% recyclable.

Ease of installation

- Designed for quick and easy installation.

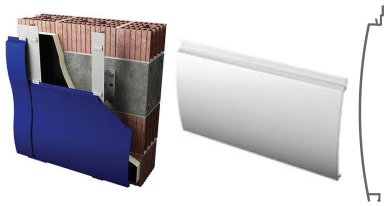
Zero Legacy of Maintenance

- Manufactured from extruded aluminum and coated with the highest quality paint finishes, your project will remain beautiful for decades even in the harshest weather environments.

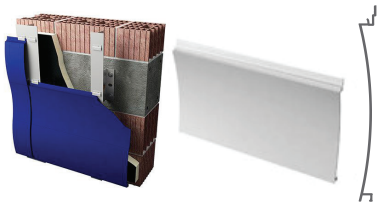
SEMPRE PROFILES

The following standard SEMPRE profiles are readily available in a wide variety of widths and lengths, or you can create your own custom profile:

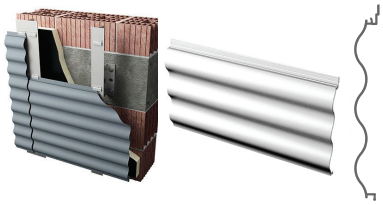
SEMPRE Flush



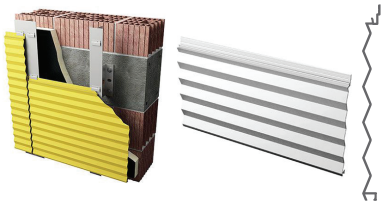
SEMPRE Convex



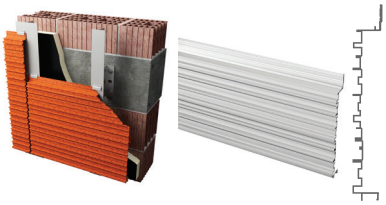
SEMPRE Concave



SEMPRE Corrugated



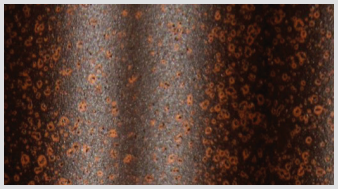
SEMPRE V



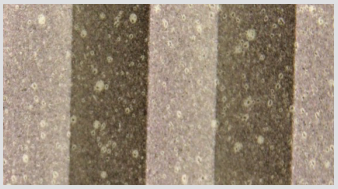
SEMPRE Skyline

ENDLESS FINISHES & TEXTURES

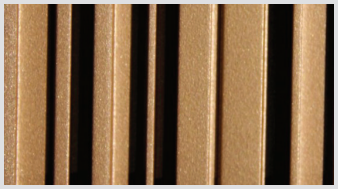
2-Coat Powder



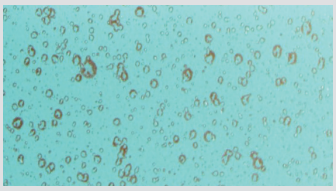
3-Coat Heavy Texture



3-Coat Texture



2-Coat Metallic



2-Coat Light Texture

Gold Anodized

INNOVATIVE DESIGN

- SEMPRE utilizes a very simple, but effective clip attachment system
- Panel profiles can be designed to provide a reveal or minimal joint
- Panels are designed to provide mix & match profile capabilities
- Panels can be installed on either a horizontal or vertical axis for maximum creative design
